

REMARKS

It is respectfully requested that this supplemental amendment is to correct a minor grammatical mistake and to provide claims of varying scope be entered. Applicant respectfully submits that these amendments to the claims are supported by the application as originally filed and do not contain any new matter. In addition, Applicant respectfully submits that the new Claim 23 is substantially similar to the Claim 11 and accordingly those arguments made in Applicant's amendment transmitted July 11, 2005 can be similarly applied to this new Claim 23. In particular, Applicant respectfully submits that the diffuser in Applicant's invention in one embodiment is preferably provided adjacent to the last one of the plurality of optical elements in the optical system and such a construction is not shown by Handschy, et al.

In view of the above, therefore, Applicant respectfully submits that the newly added Claim 23 is not anticipated by nor obvious over any of the art cited by the Examiner taken singly or in combination.

Please charge any additional costs incurred by or in order to implement this amendment or required by any requests for extensions of time to KODA & ANDROLIA DEPOSIT ACCOUNT NO. 11-1445.

Respectfully submitted,

KODA & ANDROLIA
